Customer of the company that is subject in this pending proceeding.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We highly protest such a large increase in water rates and fees. The amount we pay is already higher than we've ever paid living elsewhere. Now we're being asked to pay more for the same thing. Also we're not happy that the water has high levels of lead.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

No we do not.
